## LETTER OF UNDERSTANDING

The order of the Gael, (the “Donor”) in its efforts to support the Celtic Community, agrees to donate five dollars (\$5.00) for each full “Kilt Kit” sold as a direct result of the participating group (the “Donee”). This will be paid quarterly directly to the group, as directed.

In order to be considered as a Donee each potential group must:

1. Supply a logo (or some means to identify the group on the brochure and by doing so, for the consideration of being chosen as a Donee, expressly licenses Donor to utilize the logo or any copy written or trademarked material held by the potential Donee solely for the purpose of preparing the brochure).
2. In writing, furnish a payee and address to send the brochure file and donation checks.
3. Proof of tax-exempt status.

The donations will be made based upon tri-fold brochures received by the Donor with a valid order and bearing the logo (or other marking) identifying the Donee.

An electronic copy of the brochure will be provided to the Donee for its use in making copies of the brochure. This file may be posted on the Donee’s web site for use by its members and supporters.

No other products or services offered by The Order of the Gael are included in this offer.

Each Donee will be notified in writing of termination of the donation program and will be required to cease use of the material furnished by the Order of the Gael as of the termination date. A Donee may opt out of the program at any time upon thirty (30) days written notice.
